

International Food Recipes

Food around the world

Activity 1

Recipe Writing

Teacher is explaining about the flags of the respective countries

INDIA, JAPAN, ITALY, U.S.A.

Students are busy drawing flags

Students are writing recipes under the guidance of teachers

Students have written Indian as well as international recipes in their own recipe books. Through this activity they learnt about international food and for which occasion they eat this special food. Such as Sekihan is a traditional dish cooked on celebration days in Japan.

Students with their own recipe books

Food Fest

Nowadays, children are fond of eating junk food or fast food. So keeping this in mind we teachers gave them for our food fest is 'Importance of Eating Healthy Breakfast'. And students brought healthy food and share with

Sharing food is a good habit. Students are sharing their healthy food with each other

Parents are delighted to see their child's efforts and writing their comments

Parents Comments :

Kids were really excited about their projects. This helps to increase knowledge about the variety of the food among the people.

-Mrs. Nazia Sheikh

Through this activity my child got knowledge of how Japan, USA, Italy's National Flags look like and what are their staple or important food dishes. Even she gets interest in making different foods in the kitchen.

-Dr. Supriya Parab

The whole idea is good. Children can understand Nutritious food and Junk food. Wonderful. ISA projects are excellent. Very innovative. Good works. Thanks to teachers for guiding and motivating children.

-N. Sri Valli

This is a motivational activity. It has given idea about the Diet Plan around us. Gave learning that "Good and Hygienic food keeps you Healthy."

Best of Luck. Keep going.

-Gajanan G. Sawant

My son got information about different food in different countries. He enjoyed this activity a lot and due to this activity he knows the culture and telling habits of people living in other countries.

-Gayatri Patil.
