*Education is the ability to listen to almost anything without losing your temper or your self-confidence.” — Robert Frost*

Dear Parents,

The year 2015-16 has been very productive and satisfying in all respects, taking our vision forward towards a holistic education. It was heartening to note that our students excelled in many scholastic and non-scholastic activities during this academic year and excelled in both intra and inter-school events. School was very happy to receive the support from the parents as required and we assure you that our commitment to our vision will be carried forward. We take this opportunity to thank all the parents for their unconditional support in all our activities.

- 1) School received the International School Award – 2015 -2018 from British Council
- 2) Spectrum – School Magazine
- 3) Articles and Photographs in the Newspaper about the various activities.
- 4) Various Club Activities which gave values like Caring and Sharing in group, care for our environment ,Creativity, traffic safety awareness for our next Generation

As the session draws to a close, we thank you for the constant support and co-operation extended to us which made it possible for City International School Aundh to also grow in stature as it grew chronologically.
