Survey Methodology on Page 2

"City International Group of Schools: Nurturing Holistic Excellence in education from 26 Years"

Since its inception CIS Group of Schools having branches at Aundh, Maharshi Nagar, wanowrie has been dedicated to fostering holistic development through an innovative curriculum that transcends rote learning. The institution places a strong emphasis on learning outcomes, seamlessly integrating them into the teaching and learning process. Co-curricular activities are a cornerstone of school life, designed to complement the academic curriculum and provide students with opportunities to learn beyond textbooks.

Structured to enhance the academic experience, these activities ensure that every student develops skills

beyond the conventional classroom setting. Sports, a vital component of the curriculum, impart teamwork, leadership, and goal-setting skills, fostering responsibility and encouraging students to embrace physical activity challenges. CIS proudly boasts state and national level players in chess, archery, kickboxing, and taekwondo etc showcasing a commitment to excellence in both academics and extracurricular pursuits.

Under the visionary guidance of Chairman Maulik N. Dixit, CIS has flourished, celebrating its 26th anniversary and catering to the education of more than 15,000 stake holders so far. The institution's global education

approach aligns with the motto of creating global citizens, emphasizing both on academic and all round development of our students.
